JANUARY 2020 NEWSLETTER

Dear Member,

Firstly, a HAPPY NEW YEAR from the Chairman and Committee of the New Forest region of the JEC. The intention was to circulate this Newsletter mid-month but unfortunately we are running very late.

Our apologies for length but being a new year we have a lot of ground to cover.

Please note IMMEDIATE ACTION is required as applications are now open if you wish to display your car at the Lymington Show in August - further details below. A memo will be circulated once we are aware applications have opened. Places are very limited and the show quickly becomes fully subscribed - delay at your peril!! Once you've booked, please let Rick know so he can organise our stand. Full details extracted from an email appear below.

2020 EVENTS DIARY

We are **now attaching** an outline diary of events for 2020. This is only indicative at this stage and we are happy to add events dependent on being informed and establish levels of interest. If there are events you are aware of / looking to attend, please let us know and we'll see if it's possible to coordinate a Regional Club attendance and/or raise awareness.

NEW MEMBERS

We would extend a warm welcome to the following new members (some existing members just new to the Newsletter) :

Jeff Cooper, Chris Cawley, Robert Bell and Malcolm Derrick

You are of course welcome to join us at our regular meetings on the first Sunday of each month at the Drift Inn (SO42 7YQ - Nr Lymington – next to Beaulieu Road Railway Station)

We would also be delighted to see you and your Club cars at events.

REGION AGM ON SUNDAY 2ND FEBRUARY

Notice is hereby given the AGM will be held at the Drift Inn on Sunday 2nd February. Under JEC constitution rules all Committee Members resign and the Committee positions are open for re-election.

By way of information, all current Committee members are being put forward for re-election but nominations will also be open at the AGM, subject to being seconded, to contest any Committee position. Votes will then be cast by all (members only naturally) AGM attendees to elect the Committee for the coming year.

New nominees will need to have the time, ability, skill set, energy, enthusiasm and willingness to make a strong positive contribution to the Regional Club

The present Committee incumbents are :

Chairman - Rick Sellers, Treasurer & Regional Regalia – Mrs. P. Sellers,
Secretary - Richard (Arry) Harris, Technical Advice - Chris Smith

LYMINGTON EVENT 2ND AUGUST - DETAILS & APPLICATIONS

COPY OF A MEMO RECEIVED FROM THE ORGANISERS :-

The Rotary Club of Lymington will be holding its Annual Classic Car Show on Sunday 2 August. As before it will be held at Woodside Park, Lymington. Again, there will be the usual attractions in other parts of the field, including an auto jumble, children's amusements, a food court, and music.

Early next month I shall be emailing everyone who pre-booked cars last year with details of how to register on our web site. www.lymingtonrotary.org.uk.

As last year, you will have the following options:

- 1) To complete a vehicle entry form on line and make a donation of £10.00 either by PayPal or Visa direct to Rotary's Trust Fund Bank account, our preferred option. Or
- 2) Download an entry form and complete as in previous years and make a donation of £10.00 by cheque.

Five trophies will be awarded –. For the car driven the furthest to the show, the car with the cleanest engine, the Club with the best display and the car selected by the Mayor to be driven in. We will also be awarding the Coleman Shield for the oldest car in the arena.

All show cars must be pre-booked and have a windscreen pass displayed to obtain entry to the Show arena. Only pre 1990 ("H" registered or earlier) vintage or classic cars will be allowed to enter the arena.

This year we are limiting the number of cars exhibiting to 300 on a first come first served basis. This means that the maximum number of cars we can accept from any one club is 30 ie 10% of the above total or the same number that registered last year whichever number is the smaller. This will ensure a fairer distribution of spaces. The number of spaces remaining will be shown on our web site www.lymingtonrotary.org.uk on a weekly basis, and when all have been allocated, subsequently received applications will be returned. Please

therefore let me know in plenty of time if your club would like a dedicated space and for approximately how many cars so that we can more accurately allocate car spaces.

We regret having to do this but with the enlargement of the cricket square to 30mx30m, space in the arena is now more at a premium and health and safety considerations and enjoyment of the day is naturally uppermost in the organisers mind, rather than a desire to cram in as many cars as possible. Please therefore encourage your members to book in ASAP!

As usual Rotary Charities will benefit from any surplus funds arising from the Show.
