NEWSLETTER MARCH 2020 MARCH

Dear Member,

It's fairly quiet on the car scene at this time of year but there is one event where we would like you to advise if you wish to attend.

Please understand that whilst this event is not until June, there is a lot of behind the scenes organisation to complete **so an early response is essential** to facilitate.

FAWLEY EVENT – SATURDAY 6TH JUNE

We attended this show for the first time last year and it was very good, designed to be of general Family interest and not just for the car buffs! Please see the Flyer [HERE](#).

ALL Club cars are welcome to this event as the organisers have not applied age restrictions on cars being exhibited.

DOGS: : Dogs on leads are allowed.

EXHIBIT AGE RESTRICTION : **NONE**

In addition to the Show 'flyer, **please also find the Show Health & Safety policy [HERE](#) along with an Application Form [HERE](#).**

By typing your name in the 'signature' block on the Application Form you are confirming you have read and agreeing to abide by the H&S policy, a requirement by the organisers. Completed 'Signed' Application Forms may be lodged by email to fawley.show@gmail.com and please also copy in Rick rick@newforestjec.org.uk

Please be aware tickets will NOT be issued but **it is essential you let Rick know when you have applied** so he can collate numbers and organise our Stand.

Sherborne Classic & Supercar Show 19th July

If there is anyone who wishes to attend and has not applied, it is not too late. Please contact Mark Pascoe for details or see the February Newsletter.

(NB On 17th March there were 29 spaces left for Lymington Show on 2nd August, these will probably go quickly as the event is usually heavily over-subscribed)
