

Dear all,

Many thanks to all of you who turned out on Sunday 3<sup>rd</sup> August to attend the Lymington Classic Car Show. We did get a little damp during the setting up of our Regional Stand, however, the rain soon cleared and the weather improved by the hour. It was nice to see such a range of the marque on the stand, which included a wonderful Low Drag E-Type, Steve Hayman's superb XJ6 Series 3, David Bothwell's Lynx XJS and yours truly's 420 alongside Chris Smith's Daimler Sovereign.

Not only did we enjoy a beautiful day, but also walked away with the Best Club Display Award.

Rick (with the sun in his eyes) receiving the award from the Rotary Club of Lymington officials. Well done to all of you that made the day such a great success.

Until next time,

Keep em purring

Rick
